- Coralife® Lighting
- Dual Fans to Dissipate Heat
- Integrated Wet/Dry Biological Filtration
- Viewing Window for Filtration Water Pump
- Necessary Components Built-In

Oceanic Aquarium Limited **LIFETIME** Warranty

This aquarium is under warranty by Oceanic Systems, Inc. against leaks or cracks due to defects in the materials or workmanship, for the lifetime of the aquarium.

If the aquarium is found to be defective, the dealer you purchased it from is authorized to exchange the defective item for a new one, provided the following stipulations are met: the aquarium must be placed and filled on a level, appropriately-sized aquarium stand manufactured by Oceanic or Aqueon, the aquarium has not been lifted or carried by the frame, moved while wet or filled with water or any materials/contents and the aquarium and aquarium stand may not be altered in any way (including, and not limited to, drilling of additional holes) or used for anything except for their intended purpose. Violating any of the stipulations above will void all warranties.

This warranty is limited to replacement of the aquarium only. This warranty does not cover loss of fish, personal injury, property loss, or damage arising out of use of the aquarium. Some states do not allow the exclusion or limitation of incidental or consequential damages, in which case the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which may vary from state to state.

To obtain service under this warranty, the purchaser must retain the original bill of sale for both the aquarium and aquarium stand as evidence of the date of purchase.
